

## The Communicator Addendum August 14, 2023

Saint Michael and All Angels will host an informative meeting 4PM, Thursday, August 17, 2023 about **SeguriChat**. The State Government and the Municipality of Morelos will send representatives to inform us about this service. Charlie Goff will be there to translate as necessary. Charlie has arranged this meeting with the State and we hope there will be a good turnout to justify their efforts to register us.

### **What is SeguriChat and why should I care or come to learn more about it?**

*SeguriChat is a service that augments 911 and Neighborhood Watch emergency services. To the extent that your neighbors are also signed up it is invaluable for keeping you safe, your home safe, your neighborhood safe.*

### **How does it work?**

*You must register and have your WhatsApp number registered. It will allow SeguriChat to provide rapid services when you call with an emergency. You will not have to go through all of the information questions asked when you call 911. You will already be a trusted*

*recipient.*

***Segurichat is a service sponsored by the State of Morelos to improve security for its citizens. If you should have a home invasion and send a WhatsApp to SeguriChat your friends and neighbors will know and***

## **The Communicator Addendum August 14, 2023**

***emergency services will know. It is the fastest way to get help but you must be registered ahead of time. Come learn about it. You can only join as a member of a group. Our group will be the “Foreign Community.”***

***Though the SeguriChat website says one can sign up as an individual that service is not yet available and one can only register as a member of a group.***
