

This Sunday we celebrate one year since our beloved **Kay Villa Michel** passed into the Greater Presence of Our Lord. We all miss her and are so glad we had her with us as long as we did! Sunday's flowers will be given by **Roxana** in Kay's name.

Wednesday, August 9, we had the fourth in our SMAAA 2023 Lecture Series, "Making a Difference in the World."

Those of us who were there know that **Ann Moxey**, yogi extraordinaire, has made a huge difference in the world as well as the lives of many of the world's most unfortunates she has helped through the years. Ann has just published a beautiful book as part of the celebration of Parinaama's 20th Anniversary.

Many years ago Ann taught Yoga in our Parish Hall and it was an honor to welcome her back to Saint Michael's. Ann is having a

yoga and healthy living and eating retreat at her home in Real de Tezoyuca August 25-27. I know it is very short notice but it sure sounded exciting. For more information contact Ann. annmoxworkshops@gmail.com.

The first, or at least the first in a very long time, Saint Michael's Bazaar is happening! Information is available on our [webpage](#). Saturday, August 26, is the big day and there are already 22 artisans signed up to bring their wares. Saint Michael's will also have a booth where we will sell Good Goods donated by the Congregation. Do you have something good to sell? If so, please

bring it to church and allow us to sell it at the Bazaar. All money raised will go directly into the church coffers. Please see **Maria Jose** and **Judy Frothingham** for more information.

A very **Good News story!!!** In the last Communicator I wrote about the needs of the students of **Caminando Unidos** - back to school needs as well as a new roof for the school itself. **Judy Frothingham** and **Onagh Ash** went to Costco this week and asked for and **received** donated backpacks for the students. Now we just need to fill them! We need notebooks, pens and pencils, etc. You can bring them either of the next two Sundays — school supplies for donation or extra pesos! With the pesos we can buy supplies! Is if that weren't wonderful enough, **Suzie**

The Communicator August 11, 2023

Brown and **Jeff her Hearing Ear Dog** who many of you will remember from their long visit last year, receive The Communicator. Suzie wrote today and asked what they could do to help fix the roof. Suzie is now sending money to help with its repair. For those of you who got to know Suzie, she is returning with Jeff in February and plans to stay a few months!

Now it is time for the Caminando Unidos' "ad hoc Committee" - you know who you are - to figure out an economical way to get the roof fixed for these youngsters!

And **More Good News!** Our Senior Warden, **Judy**, has successfully cajoled **Laurie Rodriguez** into heading up a Children's Choir. She has put together an exciting plan to market the bilingual choir to local schools and with the help of **Suzie Jeffress** we are hoping it will be a great success.

That's all Folks....

See you Sunday!
