

Don't forget! The annual Garage Sale, sponsored by St. Michael's Library is this coming Saturday, March 16th. Doors open 10am until 3pm. There are always very interesting items at incredible prices so expect to find some treasures. Start celebrating St. Patrick's Day one day early with a Pulled pork sandwich and an Irish coffee. Or just come out and meet friends and support the Library and the Community.

We look forward to seeing lots of people there! SMAAA will have a table at the Garage Sale manned by Judy and others. If you have an item to donate that can be sold to raise money for the church please either bring it to the lecture today, yoga tomorrow, Senior Club on Friday or Saturday when you come to the Sale. Please attach a suggested price for the item or items.

***Sunday, March 17, is Saint Patrick's Day. For those of you so inclined Father Doug has suggested we wear green!***
