This past Sunday was a **Red Letter Day** for SMAAA. Bishop Enrique Treviño and his wife Maru were in the congregation to both worship with us and to “grade” seminarian Thomas Esakin’s homily. Tom, of course, did beautifully (we would expect nothing less) and all was well. We presume he passed. Smile.

It was also Lorena Molina’s last Sunday with us before leaving this Friday to join her husband in Istanbul. This most joyous of human beings - always with a smile for everyone - wept as she heard testimony of how she will be missed. Marisela Lathrop shared the warm sentiments of the Friday Senior Club. The Bishop and Father Doug blessed Lorena and we all heartily applauded this wonderful woman on her way to another grand adventure.

Last Friday’s Senior Club was a *despedida* for Lorena. Members of the Club were all present as well as most members of the Vestry and Father Doug. Father Doug presented Lorena with a goodbye gift from the Vestry and Friday Senior Club members presented her with a beautiful cross. Vestry members got a taste of just how good Senior Club is as we participated in the weekly exercises. Then everyone partied, danced and cried as the last Friday Senior Club came to a close. But....stay tuned, the Vestry is assessing the possibility of a new Senior Club to come soon. Lorena showed us **how** it **could** be done and **why** it **should** be done. See photos of the party towards the end of The Communicator.

Everyone seems to love having the library open on Sundays. We are so appreciative of the library volunteers for making this effort and for their support of Saint Mike's.

Maestro Felipe Aguilar, our former wonderful tenor soloist at Saint Mike's, is offering Saturday singing classes on campus. Have you always wanted to sing or to sing better? This is your chance to have lessons with a master. Felipe will also be providing some of the "live" entertainment at the **Pranzo Italiano** event on September 5. We are grateful to him, to our Musical Director Jose Luis Santana Garcia and to our soloist Juan Luis Pablo Enriquez for providing their volunteer services at the luncheon!!

We hope you will be generous with the tip jar! Tickets for the **Pranzo Italiano** are available on Sunday mornings **and** at the library.

Have you noticed, the SMAAA choir grows better each Sunday morning. This past Sunday we were treated to the guest presence of soprano soloist, Annie Delmar, the wife of our tenor soloist Juan Luis. Together they sang the beautiful *Panis Angelica* during communion. What a gift.

Annie and Juan Luis are giving a concert on September 18, 7PM, at Papillon. Many from the church are planning to attend. We have arranged with Papillon to have pizza following the concert. **Father Doug has suggested arranging carpooling from the church for those who wish. Please let us know.** Your Communicator can assure you this concert will be memorable. Their December 2025 concert was one of my favorites in a long life of attending literally 1000's of musical presentations. Tickets are available by WhatsApp from 777-377-1726.

LET'S SING TOGETHER!

Music, Songs and Choir Fun

SEPTEMBER 27, 9:30 A.M.

For kids of all ages. Children must be accompanied by a responsible adult at all times.

Kids Club will be held on Saint Michael's Sunday, September 27, 9AM. Members of the choir will be the facilitators preparing the children to sing during our Sunday morning service following Kids Club. We are hoping to have as fine a turnout for our Saint's Day as we had this past Sunday for Tom and the Bishop.

Ivonne Cortinas serves SMAAA in an administrative capacity. She and her husband, Lic. Diego Novelo, had their gender reveal party this past Saturday. They are delighted to be welcoming a baby boy into their lives mid-December. We look forward to having an infant among us at Christmas.

Lots of photos were taken on Friday at Lorena's *despedida* and on Sunday in celebration of Tom's inaugural homily and the visit of our Bishop. Thank you to Isabel Graves and Pat Manners for these memories of both days.

Unfortunately, the threat of rain moved our Hospitality Hour inside. Hopefully, one of these days someone will figure out how to improve the acoustics in that room!!!
