

The Communicator September 17, 2026

Last Sunday SMAAA was once again graced with the presence of Reverenda Gillian Ball. Father Doug returns this week. He has asked that for the next few weeks his new cell phone number be published in The Communicator.

Father Doug: +52-777-389-6647. His landline remains the same. +52-777-832-7054.

From Maestra Laurie Rodriguez. For our 20th-year anniversary Orquesta Colibri will be performing at the Teatro Ocampo, Friday, September 18th, 5PM. This is a project that my husband and I have directed and now passed on to former students. Over the years students had the opportunity to attend week-long "encuentros" in Guadalajara, Queretaro, Mexico City and Cocoyoc, a tour to Quintana Roo performing in Cancun and Tulum, and 5-week summer camps in Huitzilac. We also performed in many school celebrations and village "ferias" in Morelos. Next month we will host 38 students from Colombia for a week of rehearsals, concerts and fellowship. In March, we will travel to Colombia as part of this cultural exchange.

The choir is doing some heavy recruiting and starting to prepare for a major presentation of Evensong on November 15 at our regular church service and again in the evening for that day for the general public. Stay tuned. If you know of someone of any age who loves to sing, please invite them to show up at Saint Mike's any Sunday morning at 9:00. Music Director, Maestro Jose Luis is marvelous.

And what is Evensong you ask? Evensong is a traditional service that is mostly sung, and usually held in the evening. It focuses on scripture, prayer and choral music and traces its roots to the early Christian Church and is the sung version of what was traditionally Evening Prayer.

And even more music news!!! One of our favorite choral groups, ContraCanto, the wonderful girls group formed under Arturo Suaste, will be doing an Amigos de la Musica concert, Sunday, September 27, 12 noon at the Hacienda Cortez.

¿DID YOU KNOW THAT EVERYONE PERCEIVES THE WORLD DIFFERENTLY?

At Instituto de Investigaciones Biomédicas, we are studying why these differences in our visual perception exist and how they influence our daily lives. We invite you to participate in a fun and easy activity and help us better understand how age and our environment affect our vision.

By participating, you will be contributing to the advancement of science and medicine in Mexico; the results will help us identify factors that positively and negatively affect vision.

WHAT DO YOU NEED?

- Be over 30 years old
- Have 25-35 minutes to participate in the activity

WHAT IS THE ACTIVITY?

You'll need to answer some questions about your daily life, complete a short attention and memory exercise, and then answer questions about images you'll see on a computer.

We will visit St. Michael and All Angels in Cuernavaca on Thursday September 24th!

An interesting study is being done at Saint Mike's on Thursday, September 24. It is being offered in both Spanish and English. To sign up for a 20 minute interview, Here is the link for the calendar to book a spot on the 24th: <https://calendar.app.google/MR4QSoKaVg19pbNb9>

This is the most user-friendly, intuitive, internet site your Communicator has ever visited. There are still about 10 time slots open. Have fun.

Members of the Vestry of Saint Michael's have put together a questionnaire for both the congregation and the larger community. Please take the time to go to the website to reply.

Dear community member,

As part of the Vestry team at St. Michael's and All Angels, we are working hard to bring the community back into focus at SMAAA and provide more opportunities to connect with one another! We would love your input on the type of activities you would like to see, and how you think SMAAA can make a greater impact in the Expat and general community in Cuernavaca. Please take a few minutes to fill out this survey, and feel free to contact us with more questions or comments. Thank you in advance, your ideas are important to us! St. Michael's Kids Club

**LET'S SING
TOGETHER!**

Music, Songs and Choir Fun

SEPTEMBER 27, 9:30 A.M.

For kids of all ages. Children must be
accompanied by a responsible adult at all times.

accompanied by a responsible adult at all times.

September's Saint Michael's Kids Club will be on the 27th at 9:30AM. Choir members and SMAAA Music Director Jose Luis, will teach the kiddos in a few favorite Sunday School Songs. Hopefully the children and their parents will attend the Festival of Saint Michael's service following Kids Club. The anthem that Sunday will be sung by the children - accompanied by the choir.

Saint Michael's Sunday promises to be a wonderful event in the life of our church. Our new banner will process carried by Mathias Butler-Peregrina and it is hoped we will have Pericon crosses available for donations.

To Ponder: Your Communicator attended her "Cradle to Grave" church in California the past two Sundays. It has been through a very difficult period in recent years that has resulted in life-long members leaving the church - has even divided families. The past 18 months have been a healing time and hopefully my beloved church will emerge even stronger than before. Time will tell. Meanwhile, Father Michael, the current Priest-in-Charge spoke Sunday about forgiveness, criticism, judgmental minds. He recollected that 15 years ago he gave up criticism and being judgmental for Lent. And... 15 years later he finds himself still in recovery. It is so easy to criticize, be judgmental of others and yet, he preached, isn't unconditional love the fundamental message, the appeal, of Christianity? Isn't absolute forgiveness what we receive each Sunday?
